Also in attendance were Director Eppink, Park Planner Kleshinski, Development Coordinator Peacock, Park Police Officer Kellar, Business Manager Chaney, and Legal Counsel Holland. Guests included Barbara McGrath and John Sandora of Chippewa Lake.
- C. Legal Counsel Holland noted that today's meeting was scheduled for 8:30 a.m.; however, due to an ice emergency, the meeting was delayed for 90 minutes—until 10 a.m. Attempts were made to make the public aware of the delay as social media postings were made by 7:15 a.m., and a staff member had been at the nature center since 6 a.m. in the event that any guests arrived for the meeting at its previously scheduled time.

IV. PUBLIC PARTICIPATION

- A. Guest Barbara McGrath of Chippewa Lake thanked Director Eppink, Business Manager Chaney, Administrative Secretary Schrader, and Legal Counsel Holland for their prompt responses to her requests for public records and other information.
 - 1. Ms. McGrath stated that, based on her review of board minutes/packages since the purchase of Chippewa Lake in 2007, it was her opinion that various board/director communications have left certain items related to the operation of Chippewa Lake open to interpretation, which has added to some of the public confusion about docking. Ms. McGrath requested no action by the board; she provided a handout listing some of the confusing items to the board.
 - a. Director Eppink responded that, in addition, when new homeowners, realtors, and property owners make assumptions, it is easy for the complicated issues to become confusing.

2. The board thanked Ms. McGrath for providing the information, and Director Eppink stated that both he and Legal Counsel Holland are happy to have further conversations with her.
- B. John Sandora of Chippewa Lake acknowledged and thanked Chairman Neate for his time and effort in meeting and working with the Chippewa Lake Stakeholders Committee.
 1. Chairman Neate reported that the committee has met three times, so far, and has another two meetings scheduled before it presents management recommendations to the director about proposed rule changes for the lake.

2. Director Eppink reported that he received word just before Christmas that the Clean Ohio Trails Fund (COTF) will award the Wolf Creek Greenway project a \$216,000 reimbursable grant. Combined with ARPA funding from the county commissioners, this trail project in Sharon Township has \$416,000 in grant support. The park district has budgeted \$950,000 for the project, including design/engineering and permitting.
3. Director Eppink reported that, with the COTF award, the park district and its partners have now secured more than \$12 million in grants since 2019, mostly for land acquisition, restoration, and trail construction.
4. Director Eppink reported that six of the “top” applicants for the deputy director position have been identified by him, Commissioner Venner, and Business Manager Chaney. He will conduct phone interviews with each of the six applicants before scheduling in-person interviews with several of them.
5. Director Eppink reported that he and Administrative Secretary Schrader recently met virtually with Mayor Joanne Dodaro and Councilwoman Tamitha Sorgi from Chippewa Lake to discuss the possibility of having the village manage the docking program for its residents, similar to what Gloria Glens does for its people.
6. Director Eppink reported that the Chippewa Lake shoreline ten-year lease with the village of Chippewa Lake is expired, and the village law director asked whether the board would consider a longer lease period for the renewal. The board would like to see the lease terms before deciding a term limit but, generally, isn’t opposed to a longer lease period. Chairman Neate suggested drafting the renewal in a fashion similar to that of the Gloria Glens lease and then offering a longer term for each lease.
7. Director Eppink reported that the park district is a sponsor of the Medina Half Marathon and 5K. A portion of the 2024 half-marathon course travels through Lake Medina, as it has for years. The park district will cross-promote the race on social media, sharing locations to walk or run a 5K in the park district at your own pace and on your own time as a way to train and build confidence. The race will include the park district’s logo on its website and on the race T-shirt. In addition, the race has generously offered 10 free registrations for MCPD employees and a 20-percent discount code for family members. The race is Saturday, May 25, 2024.
8. Business Manager Chaney shared that the June park board meeting was scheduled on Wednesday, June 19, which is the Juneteenth holiday. Rather than hold the meeting on a holiday, the board adjusted the meeting date to Tuesday, June 18—at 8:30 a.m. at Oenslager Nature Center.
9. Development Coordinator Peacock reported that she and Marketing Coordinator Teubl are continuing to work with Proximity Marketing to build a website for the Friends of the Parks. Completion is anticipated during the first quarter of this year.
